

GUFF presents:

'The Trees in our Life' series

Come out on Wednesday April 20th and enjoy the Guelph Urban Forest Friends special evenings for the 2011 International Year of the Forest.

Speaker and Movie night

Growing Nut Trees, by Doug Eiche

Doug is a well known beekeeper in the Guelph area, who has grown hundreds of various types of nut trees. His experience will help you choose the best type of nut trees for your conditions as well as site location and maintenance practices to support good nut production.

Dirt the Movie

If you have not yet seen this fascinating movie about the source of all growth, you are in for a treat. Whether you call it soil, earth or dirt, the top few centimeters of ground are vital to our resilience and sustainability. This living, breathing base may be more alive than we are.

These free events are open to everyone – donations to support GUFF will be accepted

Speaker and movie night:

Date: Wednesday April 20th

Time: 7:00 pm

Place: 10 Carden St.

The Celebration of the Guelph Loves Trees School Challenge.

The winning elementary public school will be presented with \$500 for their school library and all schools will have some of their submissions on display. Drop in for a morning drink and to enjoy the artistic and heartfelt messages supporting the importance of trees in our city...a fun and timely celebration to follow Earth Day.

Date: Saturday April 23rd

Time: 11am

Location: 10 Carden St.
