2:00—4:00 pm

Room 1714, OVC Lifetime Learning Centre, University of Guelph

Complimentary reception to follow

For more information or to confirm your attendance at the symposium, contact hcourtne@uoguelph.ca

The Campbell Lecture in Nutrition Education was created to encourage the dissemination of knowledge related to nutrition education and public health. The lectureship was generously endowed by the estate of Elizabeth Campbell, and is used to bring experts in nutrition education to the University of Guelph to share their knowledge.
