Dept. of Integrative Biology Career Night 2010
November 10, 2010, 7-9:00 pm
Science Complex Atrium

Are you undecided about what to do after you graduate? If so, join us for an evening of career advice (and snacks!) from a distinguished panel of graduates. Speakers will include:

Kevin Reid	Stock Assessment Manager - Ontario Commercial Fisheries Association
Brenna Wells	Technician (Ichthyology) Natural History - Royal Ontario Museum
Sean McShane	Segment Producer - Daily Planet
Ken Oakes, Ph.D.	Waterloo Aquatic Toxicology and Ecosystem Remediation Laboratory
Mary Finch	Bronte Creek Watershed Stewardship Specialist - Trout Unlimited Canada
Julia Herr	M.Sc. Student - Dept. of Int. Biology
Cam Portt	Consultant - C. Portt and Associates
Valerie Sharman	Food Safety Coordinator - Fulton Food Safety Inc.
Mallory Van Wyngaarden	Data Manager – BOLD - Biodiversity Institute
