

International Development Week 2010

February 7th-13th

Monday, February 8th

**World University Service of Canada (WUSC) Shine A Light Marathon
*Branion Plaza ALL DAY!***

In refugee camp schools, boys outnumber girls 4:1. WUSC will be sitting in the snow all day reading books collecting donations for refugee girls who do not have access to education. Come support the Shine a Light campaign and help refugee girls defeat these odds!

Critical Knowledge Collective – A Look at Haiti

UC Courtyard @5:30pm

Just five days before a magnitude 7 earthquake hit Haiti, an American and Canadian human rights/social justice delegation was finishing up an 11-day fact-finding mission. BC Holmes from the Toronto to Haiti Action Committee will present the findings of the mission including the negative impact that Canada and the United States are having on this fragile nation.

DARFUR - Guelph Movie Screening

Galaxy Cinemas @7-9pm

STAND is proud to announce the screening of Uwe Boll's film "Darfur" at the Galaxy Cinemas in Guelph, Ontario. We are also proud to announce that guest speaker Debbie Bodkin will be joining us, and offering some closing comments and discussion at the end of the film. Be sure to come and see the film, and have the opportunity to hear and meet someone who has been to Darfur, and can offer powerful and emotional personal experiences!!
