

MCB Students Win Pancake Competition

At the 2015 College Royal last weekend, four MCB students participated in a pancake flip competition and flipped their way to first and third place positions.

Pictured here, with ribbons in hand, are students Amy Stenhouse - MBGSA, Kristin Davis - BiocSA, Jessica Wong - MicroSA and Venus Jae – BiocSA and MCB Chair, Dr. Robert Mullen.

Decked out in lab coats and this year's red and silver college royal colours, students served pancakes to a crowd of families in the early morning.
