Are you including a project budget? Yes No

If yes, what is the budget amount?

Additional Details

To register for Project SOY, teams are required to submit a working project description (project proposal). Proposals should not exceed 250 words. The project proposal should include, but is not limited to:

- Working title
- Research idea / problem identification
- Research objectives and goals
- Significance to the soybean industry

Like all technologies developed at the University of Guelph, Project SOY entries come under the auspices of the [University of Guelph Intellectual Property policy](#).
