## **CCAP- Policies & Procedures**

As a member of the Canadian Council of Professional Psychology Programs (CCPPP), we adhere to the Guiding Principles regarding the preparation of students for internship. Visit the <u>Canadian Council of Professional Psychology Programs (CCPPP)</u> and click on the tab "For Students".

The CCAP program faculty committee includes 2 elected graduate student representatives as does the Advisory committee for the Centre for Psychological Services.

## **Notes**

Students are required to obtain child abuse registry and police security checks prior to any practica involvement.
