

GRADUATE AWARDS STATUS FOR 2011-12

As a result of the economic downturn and the negative impact this is having on University Endowments, the University of Guelph will be suspending some of its endowed scholarships, bursaries and travel grants for the time being. We will be working very hard to cushion the impact on those students depending on awards based on financial need as we work our way through the 2011-12 academic year.

AWARD STATUS MESSAGES EXPLAINED

Status Blank

Award is available in 2011-12.

Not available in 2011-2012

This message will appear for awards that will not be awarded this year. We will not be accepting applications for awards in this category.

Not available in 2011-2012. Continuing awards will be honoured.

This message will appear for awards that will not be awarded this year. We will not be accepting NEW applications for awards in this category. If you are a student that received this type of an award previously, your award will be renewed provided that you meet the renewal criterion.

Status under review

This message will appear for awards under review. No decisions have been made on whether these awards will be available or not. We are working to gather this information as quickly as possible and are committed to providing the most accurate information as it becomes available. Please check back daily for updates.

N' awards are available in 2011-2012

This message will appear for awards that cannot pay out the usual number of awards. It indicates a reduction in the number of awards provided, but there is no change to the value of the award.
