Animal Maintenance Costs

These prices are for standard use of facilities/resources. Per diem rates cover the cost of normal animal maintenance. There will be an additional charge for sick animals requiring additional care such as more frequent monitoring or additional feedings. Please contact Mary Fowler, Ext 54304, to verify availability of space/services and to discuss your specific research needs as well as any specific measures pertinent to your research protocol(s).

Rates quoted are subsidized by the University and DO NOT APPLY TO OUTSIDE CONTRACT PROJECTS. Contact the Central Animal Facility, ext 54300, for outside contract rates and for estimates of maintenance costs for the fiscal year 2012/2013.
