

Directions to Dr. Bruce Holub's Office

1. **From Toronto** – Head west on the 401.
From London – Head east on the 401.
2. Take the HWY-6 S / CR-46 / BROCK RD. exit- EXIT 299- toward HAMILTON / GUELPH.
3. **From Toronto** - Stay right and merge north onto CR-46. CR-46 turns into Gordon St.
From London – Turn left at the stoplight to head north on CR-46. CR-46 turns into Gordon St.
4. After 10-15 minutes you should come to the Stone Road intersection and see a grass 'University of Guelph' sign ahead on your right.
5. Park at one of the three parking lots for visitors closest to the Animal Science (ANNU) building, shown on the map below. Note: Parking lot 25 (P25) is closest.

For P25:

- Turn left onto McGilvray St (following the 2nd light after Stone Rd.)
- The lot will be to your right. To access it take your first right, and first right again.
- Walk back across McGilvray St and pass the Food Science Building
- On the third floor of the ANNU building (large grey building), Bruce Holub's office is room 371A and his lab is room 308.

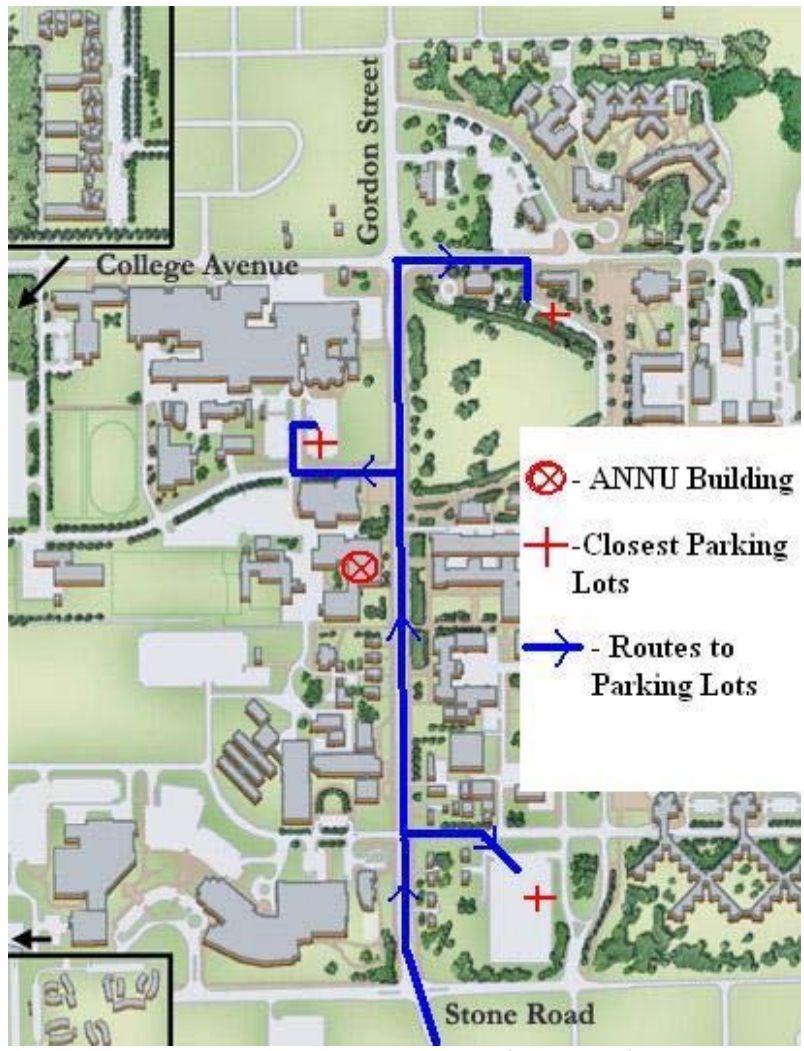

For P31:

- Turn right onto South Ring Rd. (first light after Stone Rd).
- Take first right again into parking lot 31.
- Walk back along South Ring road, and then walk up Gordon to your right (north)
- On the third floor of the ANNU building (large grey building), Bruce Holub's office is room 371A and his lab is room 308.

For P44:

- Turn right onto College Ave. (third light after Stone Rd).
- Take first right into parking lot 44.
- Walk back along College Ave, and then walk down Gordon to your left (south)
- On the third floor of the ANNU building (large grey building), Bruce Holub's office is room 244 and his lab is room 362.

(see next page for map)
