-- *Thoughts Submitted as to an Eventual Nurses' Provident Fund* 23 January 1858. Private and Confidential. 23 pp. printed. at end of Rawlinson microfiche, *Notes on Matters affecting and Subsidiary Notes*, section 2 2: "It is notified, by order of the secretary of state for war, that Miss Nightingale is recognized by Her Majesty's Government as the general superintendent of the Female Nursing Establishment of the Military Hospitals of the Army. No lady, sister or nurse is to be transmitted from one hospital to another, or into any hospital, without previous consultation with her. Her instructions, however, require her to have the approval of the principal medical officer in her exercise of the responsibility thus vested in her." FN commented "had but

been seventeen months earlier how much it might have saved!" The definition of the superintendent general's "powers and duties" were necessary "to prevent irregularities disastrous to the service."¹
