## 9<sup>th</sup> Guelph Beaver Colony Newsletter May 2012

As we wrap our 2011/12 Beaver season, the leaders would like to thank each of you for participating and trying each of the activities we had planned for you. We look forward to seeing each of you in the Fall at another Beaver meeting or at a Cub meeting. Watch for future information about fall registration – and get in early to ensure your space. Have a great summer!

Families are welcome to join us tonight as we hike the Little Tract Trail at the Guelph Agreement Forest at the North Entrance (on Concession 4). Be sure to come prepared for whatever mother nature has planned for this hike as we will go rain or shine. A map is attached to this location.

As this will be our first indoor meeting of the month, don't forget to bring your show and share. Tonight we will be looking at life under the sea. We will have a chance to see and feel some of the smaller creatures and living things that help keep our waters clean and fresh.

Moms, dads, brothers and sisters are invited to join us for our last beaver meeting of this season. We ask that each Beaver bring a small snack to share with the rest of the Beaver colony. It will be a fun night of socializing, snacking and having fun. Everyone will need to bring your own plate and fork.
