

9th Guelph Cub Pack Newsletter March 2012

Monday, March 5th, 2012

Church of Our Lady

Theme: Red Star

Tonight we will meet at the church, and the youth will be working on different star components (red star). They will be putting together a stretching and exercise regime, and those Cubs that do not have a Firstaid/survival kit, will have the opportunity to work on that project as well.

Monday, March 12th, 2012

No Meeting

There is no meeting due to March Break! See you next week.

Monday, March 19th, 2012

Church of Our Lady

Theme: Robotics

Simon Clark from DiYode will be coming to the church and putting on a presentation about what they do with robotics. Check them out at <http://www.diyode.com/>

****Any questions or concerns this week, please contact Ringtail (Shaun), thank you. Next week is Bring a Friend night. If your child has a friend that would like to see what Cubs is all about, please speak to a leader about getting your child's friend signed up.**

Monday, March 26th, 2012

Church of our Lady

Tonight we will be working on Space Exploration badge, space technology in Canadian living, design and build your own space station or space suit and make your own space craft or rocket.

****Tonight is also Bring a Friend night.**
