We will have a representative from Public Health coming to discuss issues pertaining to contagious diseases, how they are spread and how they are controlled. Those who need to complete a camp report for a winter camp to get their Year Round Camper Award....this would be a good opportunity.....report on our recent camp. Registration for the Wellington Winter camp is due. See the flier sent out by Scouter Rob.

Victory School

We will be planning and preparing for the Wellington Winter Camp at Barber on Feb. 3 to 5, 2012. As a patrol challenge we will be putting together the necessary items for a 72 hour Emergency Preparedness Kit. If time allows we will be looking at the Recycling Badge so know what is recycled in our community and how the items are sorted.
