

CBS Summer Research Assistantships (SRA) Application Form

This form is to be used for all CBS SRAs. Students should check the CBS Associate Dean Academic website for SRA eligibility and application requirements.

One application form is required for each faculty member however students can be endorsed for multiple SRAs by a faculty member using a single form if the project is the same for each award. If a student is endorsed for multiple projects please submit an application form for each project.

Which assistantship(s) are you asking the faculty member to considered you for? (you may select all that apply to the faculty member)

CBS Summer Research Assistantship

Indigenous Summer Research Assistantship

Hart Aquatic Biodiversity Summer Research Assistantship

Dr. Anne Innis Dagg Summer Research Assistantship

Morwick Summer Research Assistantship in Global Environmental Change Research

Describe the impact of the assistantship on your personal and professional goals and the skills you hope to improve during this opportunity.

Students applying for the CBS Indigenous Summer Research Assistantship please complete the following.

For the purposes of identifying recipients for the Indigenous Summer Research Assistantship, an Indigenous person in Canada, aligned with the Constitution Act, 1982, is a person who identifies with First Nation, Metis or Inuit ancestry. First Nations peoples include Status, Treaty or Registered Indians, as well as non-Status and non-Registered Indians.
