### ***Managing Diversity in Europe: Open Cities and Interculturalisms***

Ricard Zapata-Barrero

Ricard Zapata-Barrero is a Professor of Applied Political Theory and Qualitative Methodology at the Department of Political and Social Sciences, Universitat Pompeu Fabra (Barcelona-Spain). His main lines of research deal with contemporary issues of liberal democracy in contexts of diversity, especially the relationship between democracy, citizenship and immigration. For a list of publications and research projects, see <http://dcpis.upf.edu/~ricard-zapata/>
