

## **Auld Lang Syne**

Should auld acquaintance be forgot,  
And never brought to mind?  
Should auld acquaintance be forgot,  
And auld lang syne?

### **CHORUS:**

For auld lang syne, my dear,  
For auld lang syne,  
We'll tak a cup of kindness yet,  
For auld lang syne!

And there's a hand my trusty fiere,  
And gie's a hand o thine,  
And we'll tak a right guid-willie waught,  
For auld lang syne

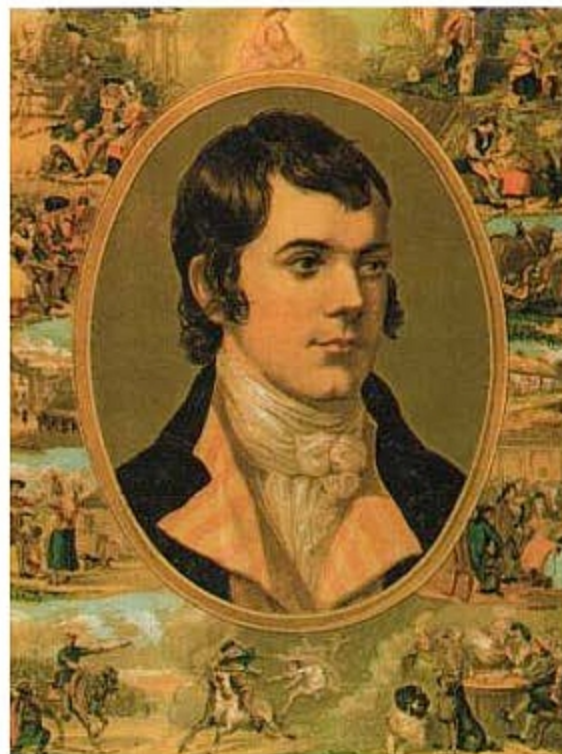

### **CHORUS**

### **Dainty Davy chorus:**

So Leeze me on your curly pow,  
Dainty Davy, my dainty davy,  
Leeze me on your curly pow,  
You're my aine dear dainty davy.
