### Program

We offer two Masters options and a Doctoral program. Masters students can choose between a one-year program that includes coursework and a major research project, or a two-year program that includes a thesis. The PhD is a four-year program and includes coursework, a qualifying exam, and completion and defence of a research-based thesis.

### Admission Requirements

- MA programs require a four-year bachelor's degree from a recognized university, normally including at least a major in philosophy. A minimum 75% is required over the last four semesters.
- The PhD program requires an MA in philosophy or an outstanding record in undergraduate studies in philosophy.

### Application Deadline:
