Late work will not be accepted if more than 15 days after the initial due date. All late work will be subject to a penalty of 10% per week. Students may not re-submit previously graded work or work produced for other courses for evaluation.
PARTICIPATION

Consistent attendance and active participation is expected throughout the course. This includes
listening to lectures and instruction, being punctual, prepared and coming to class ready to
work. Sharing thoughts, ideas and concepts with the instructor and other students will be
integral to the learning process.

- In class demonstrations
  This course will consist of a series of hands on demonstrations centered on lithography,
  intaglio and screenprinting processes. The times that these demonstrations take place will
  be variable, so students must make every effort to arrive on time & remain for the entire
class. It is imperative that students observe and take notes during demonstrations.
  Handouts will be given to students to aid in step-by-step procedures but they are not a
  substitute for watching demonstrations. Students must attend every demonstration in order
to be able to work with the equipment in the print studio. If a student fails to attend any
demonstration for any reason, they must reschedule a demonstration with either the
  technician or instructor before they will be permitted to proceed. The rescheduled
demonstration will be at the convenience of the technician or instructor. Failure to follow this
procedure may impede a student’s ability to complete assignments and ultimately, the
course.

- Critiques
  Work in progress will be discussed on an informal, individual basis, during class time.
  Finished projects will be presented for class critiques. Students are expected to present their
  work in a professional manner. Incomplete work is not acceptable at the scheduled critiques.
  Students must attend class critiques and discussions, and must actively participate in their
  own, and in their colleague’s critiques.

OTHER RESOURCES

The Print Study Collection is available for students to familiarize themselves with traditional and
contemporary approaches to printmaking. This collection of old master and modern prints is a
valuable resource that enables students to gain first-hand appreciation for these works of art.

Students are also expected and encouraged to visit art galleries and see as many exhibitions as
possible. The University of Guelph has an extensive collection of periodicals, catalogues and
texts, and students are encouraged to use this resource as well.
