Course Instructor: Pat Flood
Course Format: Lecture/Lab

Brief Course Synopsis: This course will explore the fundamentals of theatrical design and direction through readings, practical exercises and class discussion. It will culminate in a staged performance of work directed and designed by students where the skills acquired earlier in the class are applied in a practical setting.

Methods of Evaluation and Weight:
- Preliminary Design Exercises 20%
- Preliminary Direction Exercises 20%
- Midterm Presentation 20%
- Final Presentation 40%

Note** This is a preliminary breakdown of assignments and weight. The final version of this will be handed out the first day of class.

Texts and/or Resources Required (e.g. Internet access, specific textbook title, lab kit, etc.)
A course pack and the text for this course will be available through both U of G bookstores. In addition, you will need to purchase the script you will be working from.

Other information that you wish share about the course (optional):
