TIME: Tue & Thurs, 10:00 – 11:20am
LOCATION: MacKinnon Bldg, Rm. 103

CALENDAR DESCRIPTION:
This course is a study of music theory and analysis. It builds on rudiments and musicianship skills developed in MUSC*1180 and introduces students to materials of music including melodic construction, phrase structure, linear counterpoint, rhythmic organization, and diatonic harmony. Students will work on both applied and analytical assignments.

Prerequisite(s): MUSC*1180
Restriction(s): MUSC*1250, MUSC*2360
