* ENGL*3940 has been replaced by ENGL*3000 as a core seminar. For the period during which we are required to continue offering ENGL*3940 English majors (not minors) may choose to substitute ENGL*3000 for ENGL*3940 but cannot take both courses.

** For this requirement we will consider substituting pre-1900 literature courses from outside the English program (e.g. Classics and literature in other languages), or a variable-content English lecture with at least 50% literary content prior to 1900 in a specific semester. Consult with an English faculty advisor (english.advisors@uoguelph.ca) to see whether the course qualifies and to get the appropriate waiver.
