COURSE OUTLINE

Prerequisite(s):
Grade 12 Latin or LAT*1110

Objective:
A continuation of instruction in the reading of the Latin language through the use of relevant Latin texts. This course builds upon the introduction to Latin from LAT*1100 and *1110 (or equivalents) and is designed to enable students to read with fluency Latin texts written over more than two millennia.

Learning Outcomes:

By the end of this course, you should be able to:

- consolidate and utilize his/her knowledge of the essential forms, grammar, and syntax of the Latin language including:
  - the use of cases and parts of speech
  - declension of nouns and adjectives
  - pronouns
  - conjugation of verbs in all tenses, moods and voices
- construct an intermediate Latin vocabulary
- translate passages of intermediate Latin prose into idiomatic English with limited vocabulary aid
- translate short passages of English prose into Latin with limited vocabulary aid

*The course will be delivered synchronously, at the scheduled lecture times, and require real-time participation from students. However, all course material will be recorded and made available through Courselink to permit later viewing and completion of discussions. It is expected of students to commit 2-3 hours of autonomous work and preparation per scheduled lecture hour.

**Please note: This is a preliminary web course description only. The department reserves the right to change without notice any information in this description. The final, binding course outline will be distributed in the first class of the semester.
• demonstrate knowledge of Roman civilization and culture, using adapted written texts

**Method of Presentation:**
