6PM WEDNESDAY, MARCH 20, 2019
WAR MEMORIAL HALL | FREE ADMISSION

Phyllida Barlow, a UK-based artist, has taken inspiration from her surroundings to create imposing installations that can be at once menacing and playful. These constructions are often painted in industrial or vibrant colours, the seams of their construction left at times visible, revealing the means of their making.

FREE LECTURE PARKING IN P19, P23 & P24
