1 Course Details

1.1 Calendar Description

This course provides an introduction to stone lithography and will continue to investigate the formal and technical aspects of printmaking techniques covered in SART*2460. Students will be actively engaged in exploring contemporary concerns in printmaking through ideas of dissemination, sequence and systems through scrutiny of printmaking objects and readings.

Pre-Requisites: SART*2460
Restrictions: SART*3450

1.2 Course Description

The Fall 2021 iteration of Printmaking II will focus on bringing skills learned during the remote version of Printmaking I into the Studio. Students enrolled in this course will build on previously acquired printmaking basics, learn new print techniques, and receive instruction on printing presses and other key pieces of equipment in the studio. Students will undertake projects using processes such as screen printing, woodcut, and Intaglio.

This course will include a combination of in-studio demos and work periods, as well as online meetings and discussions. Most course materials will be supplied in the form of a course kit using Lab Fees – including wood and copper plates, a silkscreen, ink, tools, and paper. Students will be responsible for purchasing some additional paper, drawing tools, and basic supplies.
Students will explore contemporary concerns in printmaking through ideas such as social exchange, dissemination, iteration, and communication. Demonstrations, assigned readings, class discussions, process documentation, one-on-one meetings, and group critiques will enable students to develop an approach to printmaking which is both materially and conceptually engaged.

1.3 Timetable

Timetable is subject to change. Please see WebAdvisor for the latest information.

A detailed weekly schedule will be provided on the first day of class.

1.4 Final Exam

Exam time and location is subject to change. Please see WebAdvisor for the latest information.

### 7 Course Statements

#### 7.1 Lab Fees

A compulsory fee of $200 will be charged for materials provided in support of required course projects. The amount will be invoiced by the Office of the Bursar and paid directly with your tuition payment – no additional payment is necessary. Most course materials will be supplied in the form of a course kit using Lab Fees – including printing plates, a silkscreen, ink, tools, and paper. Students will be responsible for purchasing some additional paper, drawing tools, and basic supplies.

THE LAB FEE WILL NOT BE REFUNDED AFTER THE THIRD WEEK OF CLASSES. Should you choose to drop this class you will be responsible for returning your course kit at your own expense (in person drop-off or mail) before receiving a refund for your lab fees.

#### 7.2 Facilities

Public Health and University guidelines permit limited access to the assigned studio spaces during and outside of class time. The timetable for such access and the policies for using studio equipment will be distributed during class and on CourseLink. Any decisions regarding access to studios and on campus facilities will be in compliance with those guidelines. The primary purpose will be to ensure the safety of everyone involved.

Printshop rules regarding heath, safety, and equipment use will be determined and communicated by Technician Allen Ash. A list of basic protocols will be made available in class and on CourseLink.

### 8 University Statements

#### 8.1 Email Communication
As per university regulations, all students are required to check their e-mail account regularly: e-mail is the official route of communication between the University and its students.

8.2 When You Cannot Meet a Course Requirement

When you find yourself unable to meet an in-course requirement because of illness or compassionate reasons please advise the course instructor (or designated person, such as a teaching assistant) in writing, with your name, id#, and e-mail contact. The grounds for Academic Consideration are detailed in the Undergraduate and Graduate Calendars.

8.3 Drop Date

Students will have until the last day of classes to drop courses without academic penalty. The deadline to drop two-semester courses will be the last day of classes in the second semester. This applies to all students (undergraduate, graduate and diploma) except for Doctor of Veterinary Medicine and Associate Diploma in Veterinary Technology (conventional and alternative delivery) students. The regulations and procedures for course registration are available in their respective Academic Calendars.

8.4 Copies of Out-of-class Assignments

Keep paper and/or other reliable back-up copies of all out-of-class assignments: you may be asked to resubmit work at any time.

8.5 Accessibility

The University promotes the full participation of students who experience disabilities in their academic programs. To that end, the provision of academic accommodation is a shared responsibility between the University and the student.
When accommodations are needed, the student is required to first register with Student Accessibility Services (SAS). Documentation to substantiate the existence of a disability is required; however, interim accommodations may be possible while that process is underway.

Accommodations are available for both permanent and temporary disabilities. It should be noted that common illnesses such as a cold or the flu do not constitute a disability.

Use of the SAS Exam Centre requires students to book their exams at least 7 days in advance and not later than the 40th Class Day.

For Guelph students, information can be found on the SAS website https://www.uoguelph.ca/sas

For Ridgetown students, information can be found on the Ridgetown SAS website https://www.ridgetownc.com/services/accessibilityservices.cfm

### 8.6 Academic Integrity

The University of Guelph is committed to upholding the highest standards of academic integrity, and it is the responsibility of all members of the University community-faculty, staff, and students-to be aware of what constitutes academic misconduct and to do as much as possible to prevent academic offences from occurring. University of Guelph students have the responsibility of abiding by the University's policy on academic misconduct regardless of their location of study; faculty, staff, and students have the responsibility of supporting an environment that encourages academic integrity. Students need to remain aware that instructors have access to and the right to use electronic and other means of detection.

Please note: Whether or not a student intended to commit academic misconduct is not relevant for a finding of guilt. Hurried or careless submission of assignments does not excuse students from responsibility for verifying the academic integrity of their work before submitting it. Students who are in any doubt as to whether an action on their part could be construed as an academic offence should consult with a faculty member or faculty advisor.

### 8.7 Recording of Materials

Presentations that are made in relation to course work - including lectures - cannot be recorded or copied without the permission of the presenter, whether the instructor, a student, or guest lecturer. Material recorded with permission is restricted to use for that course unless further permission is granted.

### 8.8 Resources
The Academic Calendars are the source of information about the University of Guelph’s procedures, policies, and regulations that apply to undergraduate, graduate, and diploma programs.

8.9 Disclaimer

Please note that the ongoing COVID-19 pandemic may necessitate a revision of the format of course offerings and academic schedules. Any such changes will be announced via CourseLink and/or class email. All University-wide decisions will be posted on the COVID-19 website (https://news.uoguelph.ca/2019-novel-coronavirus-information/) and circulated by email.

8.10 Illness

The University will not normally require verification of illness (doctor’s notes) for fall 2020 or winter 2021 semester courses. However, requests for Academic Consideration may still require medical documentation as appropriate.
