

Facilities

The BRDC is located in Room 288 on the 2nd floor of the McLaughlin Library at the University of Guelph.

The Centre currently houses 4 researcher workstations with the following statistical software installed on ALL workstations:

- SAS 9.4
- SPSS 21
- Stata
- R
- ArcGIS 10.5

If you require additional software for your research within the Guelph BRDC please send a request to carolp@uoguelph.ca [1]. The request will be evaluated and checked against Statistics Canada software standards.

University of Guelph BRDC Official Opening, 2011.
