

Canadian Association for Surface Finishing (CASF) is proud to invite you to our Lunch & Learn series event, hosted by the **University of Guelph Student Chapter of the Electrochemical Society** and the **Electrochemical Technology Centre**. CASF plays an important advocacy role by working with all levels of government on issues related to our industry. Electrochemical technologies have been widely used for surface finishing. Come find out how your field of study relates to this field of employment.

- Where:** University of Guelph, Room SSC-1511
- Date:** March 28, 2019
- Time:** 11:30 am – 1:00 pm
- Lunch:** 11:45 am - 12:45 pm - Provided **free** courtesy of CASF
- Discussion:** This seminar will discuss the surface finishing industry and how your education relates to employment. In addition, CASF will feature jobs in the industry and provide an update on Association activities with a Q&A period.
- Cost:** **Free**
- Registration:** Please register [here](#) before March 22, 2019 - Space is limited!

CASF Lunch & Lunch Series is an association sponsored event about surface finishing related topics held in various cities across Canada. They are intended to provide a forum for education, discussion and discovery for those involved in the surface finishing industry. CASF is Canada's only surface finishing trade association dedicated to helping our members
