

ETC – ECS UGSC Speaker Series

**Ionization of glycolic acid and complexation of
metals in high-temperature water by quantitative
Raman spectroscopy**

**Dr. Matt Wolf, Postdoctoral Fellow
(Advisor: Prof. Peter Tremaine)
Department of Chemistry, University of Guelph**

**Electrochemistry and the Emergence of a
Hydrogen Economy**

**Prof. Aicheng Chen
Department of Chemistry, University of Guelph**

Date: November 19, 2021

Time: 3:30 pm to 5:00 pm

EVERYONE IS WELCOME
