

## Volunteer Positions

### Classroom Volunteer

Working closely with the classroom teachers, you will engage in meaningful interactions and have enriching experiences with children of all ages. Sing, create, build and play!

Expected number of hours/ week: 2

### Inclusion Facilitator

If supporting children with exceptionalities is more your interest, than this may be a role for you. You will have the opportunity to work either one on one with a child, or with a small group of children who require extra support to be successful in the program and in reaching their full potential.

Expected number of hours/week: 5

### Gardener (with children)

Combine your love for children and gardening in this wonderful opportunity. Alongside our knowledgeable educators, help to foster the importance of caring for living things within their environment. Share your gardening knowledge, as minimal or extensive, with a small group of 5-8 children. Activities could include planting, weeding, life cycle, and more.

Expected number of hours/ week: 2

### Gardener (Individual)

Do you have a green thumb? Are you a landscape architecture student? Or do you simply enjoy the art of gardening. We are looking for individuals who can help keep our multiple flower beds and spaces vibrant looking and weed-free!

Expected number of hours/ week: 2

### Kitchen Assistant

Do you have an interest in food and nutrition? Work alongside our talented chef and kitchen staff to learn more about cooking and nutrition in a childcare environment. Assisting with food preparation, dishwashing and delivery will be a part of this experience. Perhaps you would like to share your nutritional knowledge with the children in a short interactive presentation. This can be arranged.
