OUR VISION AND MISSION:

OUR VISION

CIP fosters international and intercultural learning among members of our campus community to stimulate a sense of partnership and global responsibility as scholars and citizens

OUR MISSION

Our mission is to provide leadership and expertise in facilitating international and intercultural academic activities through the development of resources and partnerships that support the University of Guelph's strategic direction of internationalization

OUR ONGOING SERVICES INCLUDE:

- Advising students on programs abroad
- Grade transfer and international credit assessment for outgoing exchange students
- Support for faculty members and departments internationalizing their programs
- Administration of Exchange, and Summer Field School Programs
- Annual Study Abroad Fair
- Intercultural competency training
- Pre-departure orientations
- Emergency response services 24/7
- Negotiating new exchange agreements
- Administration of Global Affairs Canada scholarships and internships
- Reception and registration of incoming exchange students
