Apply Here

CODING COMPETITION

Thursday March 7 | Reynolds 0002 | 5:00-7:00pm

Participate in our thrilling coding competition, where individuals or small groups will go head-to-head to solve computing problems. Prizes await the fastest and most accurate solutions, and all attendees can enjoy a slice of pizza. Get ready for a challenging yet rewarding experience!

GAMES NIGHT

Friday March 8 | Reynolds 0002 | 5:00-8:00pm

Come study with your friends, and make some new ones too, at the SOCIS Board Games Night! We are providing free food, board games, and drinks. Be there or be square!

CAREER DEVELOPMENT

Monday March 11 | Reynolds 0002 | 5:00-7:00pm

Are you aiming for an internship or summer position? Explore our Professional Development Workshop where you can gain insights into crafting technical resumes, utilizing GitHub, and optimizing your LinkedIn profile. Join us to enjoy complimentary food and drinks during the event. It's an opportunity to elevate your career path and aim for success!

SOCIS ELECTION

Monday March 18 | Reynolds 0002 | 2:00-5:00pm

SOCIS is hosting an Election Social to introduce next year's candidates and showcase what SOCIS is all about! Enjoy pizza and drinks while connecting with the community. It's an opportunity to connect, share ideas, and be part of the exciting future of SOCIS!

IGNITION EVENT

(Expected*) Monday March 25 | THRN Building | 2:00-7:00pm

Get insights from successful start-up CEOs, network with tech employers, and immerse yourself in captivating discussions on

business. Don't miss this opportunity to gain valuable perspectives and make meaningful connections. Ignite your passion for entrepreneurship and business innovation!

MAKERSPACE WORKSHOP

Thursday March 28 | Reynolds 0002 | 6:30-8:30pm

Following our successful circuitry event last semester, we're delving deeper into circuitry! Join us to explore complex aspects, engage in hands-on projects, and boost your understanding of electronic components.

TRIVIA NIGHT

Wednesday April 3 | Reynolds 0002 | 6:00-8:00pm

Exams got you down? Join the GCC and SOCIS to have some fun and win some prizes at our Trivia Night! \$250 worth of gift cards available to win and free pizza for all attendees! Hope to see you there!

EXAM STRESS BUSTER

(Expected*) Friday April 5 | Reynolds 0002

Unwind and recharge before your exams with a variety of enjoyable activities designed to ease your stress. This is your chance to take a break, have some fun, and rejuvenate your mind before hitting the books.

GDSC HACKATHON Q&A

Tuesday March 12th | UC Basement, Peter Clark Hall | 6:00-8:00pm

Have burning questions about the upcoming May hackathon? Join us for an informative session where we'll address all your queries. Our knowledgeable panel will guide you through the ins and outs of hackathons, the compelling reasons to participate, and the exciting prizes awaiting you.

GCC REACT DEVELOPMENT WORKSHOP

Wednesday March 13 | Reynolds 0002 | 6:00-8:00pm

Join the GCC to learn about how to build React Apps with experienced React developer and University of Guelph fourth year student Saqif Arbrar. Pizza provided!

GCC GAME DEVELOPMENT WORKSHOP

Wednesday March 20 | Virtual | 3:00-4:30pm

Come learn about Game Development from Javier Abud a Senior Software Engineer at Unity Technologies. Topics include game genres, animating elements, and monitoring game performance. Click the button to fill out the attendance form to receive the meeting link:

RSVP

QUEER PEOPLE IN COMPUTING DINNER

Thursday March 28 | Brass Taps | 6:00-8:00pm

Attention Queer folks in Computing! Join your campus Computing community for a Queer Computing dinner at the Brass Taps. The dinner will be held in a private room at the Brass Taps and the food will be served buffet style. There is a gender neutral washroom located on the second floor and an accessible entrance down the hall from the CSA office on the 2nd floor. Please fill out the linked google form so we can adapt the food for dietary restrictions and track attendance.

RSVP
