3MT 2016

What is 3MT?

The Three Minute Thesis (3MT®) is a competition for graduate students in which participants present their research and its wider impact in plain language in three minutes or less to a panel of non-specialist judges. The challenge is to present complex research in an engaging, accessible and compelling way, using only one slide.

College of Physical & Engineering Science (CPES) Competition

The 2016 3MT CPES competition will be held on Saturday, January 23 at 1:30 pm (location to be determined) to decide upon two finalists, who will advance to the University of Guelph Final.

The prizes for the CPES competition are: 1st Place: $500, 2nd Place: $300, 3rd Place: $200 and gift cards for all participants.

Please contact Kate Mooibroek at kmooibro@uoguelph.ca if you are interested in participating by Friday, January 8.

University Competition

Final Competition - March 23, 2016  Location: University Centre, Room 103 (time to be finalized but it will be in the p.m.)

Prizes for the university competition are as follows: (Note: All prizes are paid against tuition)
1st Place: $1000, 2nd Place: $500, 3rd Place: $250

The first place winner will go on to represent the University of Guelph at the provincial wide competition held Thursday, April 14, 2016 at Wilfrid Laurier University (all expenses paid) and a chance to win a cash prize. Winners from the provincial competition will go on to compete at the national competition to be held in June 2016.

This is an excellent opportunity for students to showcase their research to a wider audience, improve their oral presentation skills and to build excitement for research that is happening right here at Guelph! Thank you for your attention to this.
