### **Stock analysis Report - RGC Resources (RGCO)**

RGC Resource is a holding company based in Roanoke Virginia. The stock price of the company has increased from \$16.70 to \$26.79 from December 2016 to June 2017. The goal of this paper is to conduct fundamental analysis to determine the quality of the company business. By evaluating the company's value proposition, competitiveness in the industry and the quality of their management, we can make forecast on the well being of the company in the long run. We also examine the financial data of the company to determine if the company is still worth investing in after the recent price increase.
