

ENGINEERING TECHNOLOGY

AT CONESTOGA
COLLEGE

You have been required to withdraw from your University of Guelph Bachelor of Engineering program. **Now what?**

- Conestoga offers many engineering technology programs that may meet the requirements for academic upgrading.
- Advanced standing into year two of a three-year technology program may be possible.
- Fall admission is still available in some programs.

Contact the appropriate Chair in Conestoga's School of Engineering and IT to get more information about advanced standing in the following programs.
