

# EXPERIENTIAL LEARNING GUIDE

## Community Engaged Learning

Experiential learning at the University of Guelph means learning through action. Whether inside or outside the classroom, experiential learning activities provide you with the chance to gain knowledge and skills that will prepare you for your future.

*Note: Consult the academic calendar for detailed course descriptions, prerequisites, and restrictions. Courses listed may not always be offered and are subject to change. Consult with offering departments for current availability.*

---

### Community Engaged Learning

A community engaged learning course connects your learning and skill development to theoretical concepts through activities that achieve mutually beneficial outcomes with a community organization.
