

EXPERIENTIAL LEARNING GUIDE

Field Courses

Experiential learning at the University of Guelph means learning through action. Whether inside or outside the classroom, experiential learning activities provide you with the chance to gain knowledge and skills that will prepare you for your future.

Note: Consult the academic calendar for detailed course descriptions, prerequisites, and restrictions. Courses listed may not always be offered and are subject to change. Consult with offering departments for current availability.

Field Courses

Field courses prepare you for professional work through first-hand investigation and analysis in a field location, led by faculty, for part of or the full duration of a semester.
