

EXPERIENTIAL LEARNING GUIDE

Professional Practice

Experiential learning at the University of Guelph means learning through. Whether inside or outside the classroom, experiential learning activities provide you with the chance to gain knowledge and skills that will prepare you for your future.

Note: Consult the academic calendar for detailed course descriptions, prerequisites, and restrictions. Courses listed may not always be offered and are subject to change. Consult with offering departments for current availability.

Professional Practice

Professional practice courses allow you to work under the guidance of a professional in order to gain experience and develop skills related to a field of study. Includes internships, externships, and practicums.
