
BPS Procurement Directive

Effective April 1st, 2011, the BPS Procurement Directive (Directive) applies to designated broader public sector organizations under the Broader Public Sector Accountability act, 2010. Universities are one of the designated broader public sector organizations that are required to comply with the Directive.

To understand how the BPS Procurement Directive affects procurement at the University of Guelph, below is a summary of the Directive and what the changes are. If you are involved in purchasing for your department and division, please review them thoroughly.
