Purchasing Policy and Procedures

The University's Purchasing Policy [1] provides the framework, general principles and overall guidance for procurement activities at the University of Guelph. The procurement of goods and services by all departments of the University regardless of the final source of funding shall be compliant with the Purchasing Policy.

Purchasing Authority

All procurement activities shall be authorized and approved by the authority as defined by the University's General Policy - Delegation of Authority for Commitment of University Funds Upon Budget Allocation [2].

Segregation of Duties

In general, 3 of the 5 purchasing functions below should be completed by different individuals for each procurement.
