Transfer of Funds

Transfer Agreement (Tri-Agency)

- Funds can be transferred from your Tri-Agency award to a researcher at another Canadian institution that receives Tri-Council funding if the researcher is listed as a co-investigator on your application. Generally, Tri-Agency funds cannot be transferred to collaborators or someone outside of Canada.
- If you are transferring to a co-investigator at another eligible Canadian institution, a transfer letter of agreement is established and signed by the Research Services Office in Guelph and the Office of Research of the institution to receive the funds.
- To complete the transfer letter, we require the following information:
    - Name of researcher (at Guelph)
    - Name of co-applicant to receive funds
    - Name of institution that co-applicant is to receive the funds through
    - Account number (Guelph)
    - Amount to be transferred
    - Budget (how is applicant to spend the funds)
    - Time period to use the funds

Transfer Agreement (Non-Tri-Council)

Method of Transfer

- Cheque
- Wire Transfer
- An agreement (either sub-transfer agreement or services agreement will also need to be in place to facilitate the transfer)
