

Why Use the Procurement Card

The PCard benefits the cardholders, the department and the University in the following ways:

- Eliminates the need to submit requisitions and issue purchase orders;
- Eliminates the need to use personal funds and submit expense claims;
- Provides immediate access to suppliers' products and services;
- Provides convenience and flexibility as the card is accepted worldwide by any suppliers who accept credit card payment;
- Provides the same level of security as personal credit card;
- Reduces paperwork such as purchase orders, invoices and cheques;
- Increased efficiency and lower overall transaction cost(s).
