Insurance Forms

In this section you will find a variety of forms, guidelines & checklists. These are categorized by type for your convenience.

Please select from the menu on the left accordingly to ensure you have downloaded the most recent version.

New - April 2023: The University requires that **all employees/volunteers/students** carry a Minimum $1 Million Third Party Liability Limit on their Personal Vehicles that they use for University business purposes. Signing and returning the new driver profile is sufficient proof of the $1M third-party liability limit. The University of Guelph vehicle and non-owned auto policy will respond first in the event of an accident. For personal vehicles, the drivers policy is always primary and the University insurance would respond to a claim if the University is named or losses exceed the primary policy.
