In cases where there is no HVPO, invoices will be returned and an After-Fact HVPO must be issued before the invoice can be processed.
2. Purchase requisitions for HVPO must include required documents such as multiple quotes or Non-Competitive Procurement Justification where applicable. Requisitions without the required documents will be returned. Purchase requisitions for After-Fact HVPO issued for the purpose of getting invoices paid in current 2018/19 fiscal year should also include a copy of the invoice.
3. Purchase orders issued for the new 2019/20 fiscal year will not generate commitments in FRS until the Year-End accounting process is over. Invoices to be paid against these purchase orders will be processed after the Year-end process.
4. Cheque requisitions relating to the 2019/20 fiscal year must be noted as such in the "Purpose of Payment" section of the document.
5. Revenue received up to and including April 30, 2019 must be submitted to Treasury Operations by 10:00 am on May 1, 2019.
