**University of Guelph OGS Divisions**

**Division 1 Clinical and Applied Biology**
1. Biomedical Sciences
2. Clinical Studies
3. Neuroscience *(also listed with Div. 2)*
4. Pathobiology *(also listed with Div. 2)*
5. Pop Med
6. Public Health
7. Veterinary Science
8. Toxicology *(also listed with Div. 2, 3 & 4)*

**Division 2 Biological Sciences**
1. Bioinformatics *(also listed with Div. 3)*
2. Biophysics *(also listed with Div. 3)*
3. Human Health & Nutritional Sciences
4. Integrative Biology
5. Molecular & Cellular Biology
6. Neuroscience *(also listed with Div. 1)*
7. Pathobiology *(also listed with Div. 1)*
8. Toxicology *(also listed with Div. 1, 3 & 4)*

**Division 3 Physical Sciences**
1. Bioinformatics *(also listed with Div. 2)*
2. Biophysics *(also listed with Div. 2)*
3. Chemistry
4. Computer Science
5. Engineering
6. Math & Stats
7. Physics
8. Toxicology *(also listed with Div. 1, 2 & 4)*

**Division 4 Agriculture and Environment**
1. Animal & Poultry Science
2. Capacity Development & Extension
3. Environmental Science
4. Food Science
5. Food Safety & Quality Assurance
6. Geography *(also listed with Div. 6)*
7. International Development *(also listed with Div. 6)*
8. Landscape Architecture
9. Plant Agriculture
10. Rural Planning & Development
11. Rural Studies
12. Toxicology *(also listed with Div. 1, 2 & 3)*

**Division 5 Arts & Humanities**
1. Art History & Visual Culture
2. Creative Writing
3. English
4. European Studies
5. French Studies
6. History
7. Latin American & Caribbean Studies
8. Philosophy
9. Studio Art
10. Theatre Studies
11. Literary/Theatre Studies in English

**Division 6 Social Sciences**
1. Applied Nutrition
2. Criminology and Criminal Justice Policy
3. Family Relations & Applied Nutrition
4. Geography *(also listed with Div. 4)*
5. International Development *(also listed with Div. 4)*
6. Political Science
7. Public Issues Anthropology
8. Sociology
9. Psychology

**Division 7 Business and Commerce**
1. Business Administration
2. Economics
3. Food, Agriculture & Resource Economics
4. Marketing and Consumer Studies
5. Market Research
6. Leadership
7. Management

**NOTE:** Under Proposed Studies (p.g. 2/9 OGS Application) you are required to specify one division that is best suited to your research area. You will note that some programs appear under more than one division. Pick the division which most closely aligns with your research statement/plan of study. Your OGS application will be reviewed by the division committee selected.
