The University of Guelph MBA applies contemporary management concepts and strategies to industries where the University has distinctive capability. Upon admission, participants choose to concentrate their MBA studies in one of three broad industry groups: Food and Agribusiness Management, Hospitality and Tourism Management or Sustainable Commerce. The University of Guelph MBA program includes a core group of courses that build and develop key managerial skills, and specialization courses that allow participants to apply concepts and skills to management situations in a particular sector. Case studies are widely used. Participants complete their program with a Major Research Project or have the option to substitute two courses for the Major Research Project.

The MBA is offered in an interactive on-line learning format enhanced by three brief in-classroom sessions.
