# *Welcome*

The School of Hospitality, Food and Tourism Management regrettably could not hold our annual Award Ceremony to celebrate the accomplishments of our students this year. They have worked hard to achieve not only academic goals, but many have also participated in extracurricular activities and we would like to honour that by posting the awards they received this academic year.

We thank the sponsors for the various awards. Without your continuous and generous support, we would not be able to recognize these students and provide much needed financial assistance.
