Students enjoy a welcoming and cohesive campus community that offers one of the best university experiences in the country.

Experience your passion
Build your personal brand by customizing your learning experience to fit your career goals. Challenge yourself outside the classroom through certificates, exchange semesters, co-op and travel opportunities.

Connect with your future industry
Starting semester one, you’ll have the opportunity to meet and work with Canada’s leading hospitality and food professionals. At Guelph you’re not just a student, you’re part of a network of industry professionals.

Learn from industry-renowned faculty
Our faculty have a track record of teaching excellence, academic accomplishments and industry experience. They’ve helped shape today’s hospitality and food industry and will help you shape tomorrow’s.

Transformational learning
Our students are regularly engaged in experiential learning opportunities, developing their skills and knowledge while applying theory to real-world problems.

Research that counts
We have a passion for exploring emerging and established issues that are relevant to the hospitality industry.

Community engagement
Learning and research are enhanced through collaboration with local and global partner organizations and communities.
