

Welcome to Human Resources

Human Resources supports the University's commitment to excellence in teaching, research and community service through the provision of quality HR programs and resources.

We create and sustain partnerships that enable the University of Guelph to achieve its vision through innovative and supportive people practices, including cultivating sound core leadership and management practices. We strive to be leaders in fostering excellence, productivity, respect and fairness as we work to strengthen the University's ability to attract, develop and retain talent in this diverse, work and learning environment.

Working in collaboration with the University of Guelph community, Human Resources dedicates time, energy, creativity and resources to ensure the University as a workplace is healthy and sustains the need for learning and challenge.
