# LinkedIn Learning Access

## How to access LinkedIn Learning through your Public Library

The LinkedIn Learning partnership with the Ministry has ended. If you are interested in continuing to use LinkedIn, some public library systems offer free access to LinkedIn Learning. You can check if your library offers this service by searching on a web browser e.g., “Guelph Public Library LinkedIn Learning Login”. You will then require your library card number and pin to login. Below is a list of LinkedIn Learning portals of local public library systems.
