Carpenter

Structural Shop, Physical Resources

Hiring #: 2016-0283

Please read the Application Instructions [2] before applying

Reporting to the Manager, Structural Shop, the Carpenter is responsible for installing, constructing, and fabricating, in the context of repairing interior and exterior components of buildings and related structures and furnishings. Specific responsibilities include: assessing work requests, determining the appropriate repair, required materials and any other trade involvement that may be needed; preparing sketches as appropriate; replacing walls, ceilings, ramps, and the like; caulking all kinds of surfaces; cutting and shaping materials using hand or using machine tools; repairing and replacing roof components; erecting and dismantling scaffolding, shoring and ladders for work assignments; operating boom and scissor lifts (with appropriate training); replacing broken glass, including making temporary repairs where appropriate; cutting, polishing edges and drilling glass as required, using appropriate tools and equipment; repairing and fabricating metal and synthetic screens; and other associated duties as assigned. The incumbent will be required to participate in the shop’s call-in list.

Requirements of the position include: Grade 12 education, together with a General Carpenter’s provincial trade certification and a minimum three years’ previous experience working as a carpenter on a wide variety of projects. Experience with blueprint reading, drafting, rigging and scaffolding is required, as are good arithmetic skills, and familiarity with both the Ontario Building Code and the Ontario Occupational Health and Safety Act. Also required are excellent communication and interpersonal skills, an orientation to customer service, and the ability to work effectively and efficiently with minimal supervision. As a condition of employment, any applicant from off-campus, if selected as the successful candidate, will be required to provide a satisfactory criminal reference check, at their own expense.

Position Number 812-034
Classification CUPE Band 7
0-3 month rate $28.85 per hour
Job Rate $30.37 per hour
Vacancy Consequential
Work Location Work is based in the Structural Shop, but actual work locations will be throughout the main campus.
